

2022 SAN JOSE JAZZ SUMMER FEST

Business Vendor Policies and Procedures

San Jose Jazz Summer Fest is the largest musical event in Silicon Valley, with tens of thousands of attendees, and over 125 musical groups performing throughout the grounds. The event begins Friday at the Main Stage and auxiliary venues around downtown San Jose.

APPLICATION PROCEDURE

To apply for a business vendor space, fill out the online application with links to the business or product you wish to promote at your business booth. **Space is limited** and applications and space allotments are made with these considerations: First-come, first-served upon completed application and full payment are received. Preference is given to returning vendors. Late applications will be considered only if space is available.

All vendors are evaluated each year. Prior participation does not guarantee acceptance for the 2022 Summer Fest. Applications will be processed as needed, and a letter of acceptance or decline will be sent as receipt of application.

Business Vendor Booths range in cost from \$500-\$5,000 depending on the type of business, placement, and space of activation. Business Booths do not sell goods, but may promote goods. Non-profits will be considered at reduced rates.

Prices are determined by location, size and product.
