

2023 SAN JOSE JAZZ SUMMER FEST

Food Vendor Policies and Procedures

APPLICATION PROCEDURE

To apply for a Food Vendor space, fill out the 2023 Summer Fest Food Vendor application form online. A notification of receipt of application will be emailed to the vendor after we receive a completed application, then a letter of acceptance or decline will be sent to invite your payment and bind the agreement between San Jose Jazz and the food vendor. Once notified of acceptance into Summer Fest, the Vendor Coordinator will facilitate a virtual invoice payment to secure your space.

Space is limited and applications and space allotments are made with these considerations: first-come, first-serve with preference given to returning vendors. Menu items will be reviewed and approved to maintain balance of food options. Late applications will be considered only if space is available. All vendors are evaluated each year.

Prior participation does not guarantee acceptance for the 2023 Summer Fest. Applications will be processed on a rolling basis.

All sellers must possess a resale number. Sellers will collect taxes and will be responsible for all their own sales and collections. A resale number can be obtained from the California Board of Equalization. Applications are not complete without submitting a valid resale number with application.

SPACE FEE

Food Vendor space is 10'x10' City approved food booth and 10x10 back cooking area if needed (please specify on your application). Vendors are responsible for all their own cooking equipment. If you use space to store or sell your merchandise outside of the square footage of the space you purchased, you will be asked to break down or be charged an additional fee for the space on site.

INSURANCE

It is necessary that all Food & Retail Vendors have comprehensive insurance to participate in Summer Fest 2023. If you do not have insurance, San Jose Jazz has arranged for a "Tulip" policy for the three day event. A vendor can pay to be included in this policy. If you do not participate in the "Tulip" event policy, you will be required to provide a COI prior to July 21, 2023.

ELECTRICITY

Electricity can be provided for Food Vendors at \$100.00 for one (1) 20 amp circuit. This **MUST BE** requested on the application. NO electricity will be added on-site. Some areas may not have electricity. We have a very limited capacity for overnight power, only available if requested in advance. Please notify the Vendor Coordinator.

FIRE DEPARTMENT

All Food booths must meet the requirements of the City of San Jose Fire Department. The spaces and booths that San Jose Jazz provides are pre-approved. All Food Vendors must comply with safety requirements made of San Jose Jazz or San Jose Fire Department on-site. Failure to comply with any safety requirement may result in a Food Vendor being closed during the Summer Fest. Any incidents on-site are the Food Vendor's responsibility.

GREEN FEST

Vendors are encouraged to use compostable products during the Summer Fest weekend. Vendors are responsible for locating supplied containers and properly disposing of oil, charcoal, and other waste materials. No plastic bags can be given to festival patrons.

RESPONSIBILITY

San Jose Jazz, Labadie Productions, Messenger Events, Filco Events and their employees and boards of directors will not be held responsible for any depredation or loss of any kind, whether by fire, theft, physical violence, elements of nature or other causes, however originating. Insurance to cover these risks should be carried by the participants at no cost to San Jose Jazz.
